

# NANO GUARD LUBRICANT

IWRC® MULTI-PURPOSE LUBRICANT

Superior anti-corrosion properties  
Anti-wear & anti-moisture  
Ultra low friction nano barrier  
Significant wear reducing & lubrication  
Excellent water displacement  
Long lasting & durable

**IWRC®**

**Rapid Penetration**

**Corrosion & Rust  
Preventative**

## IWRC® MULTI-PURPOSE LUBRICANT

### *Rapid Penetration Lubricant.*

IWRC® Multi-Purpose Lubricant is a one-of-a-kind product that uses tungsten disulphide spherical nano technology to penetrate the core of wire ropes, chains, and various industrial applications. The Extremelife® fortified formula creates an ultra-low friction nano-barrier that significantly extends the lifespan of equipment. This lubricant has excellent moisture displacement, ultra-low friction, and a durable nano-barrier that acts as an anti-seize, reducing wear and providing lubrication. The Extremelife® Fortified formula contains a globally patented spherical tungsten nanotechnology.

#### Unique Nano Technology

Works in all seasons and environments hot or cold, wet or dry.

On all equipment from light to heavy industrial.

Temperature range ws2 -273°C to 650°C(-460°F to 1,200°F).

Safe to use on polymers, plastics & dressed timbers.

Repels water, moisture and is hydrophobic.

The Nanoguard Extremelife fortified formulation contains a combination of nanotechnologies both are globally patented tungsten spherical nanotechnology is able to withstand 100,000 PSI.

The nanoparticles penetrate the surface of the metal, producing an ultra-low friction durable protective nano-barrier that significantly reduces corrosion, and heat & extends all equipment life.

#### For Use on

- Wire ropes, chains & cables
- Bearing & bushes
- Storage/transportation of machines
- Cars, trucks & motorcycles
- Safe tumblers & locks
- All lifting & mining equipment
- Plastic tooling ejector pins & spline
- Nuts, bolts, threads, tapping & drilling
- Pneumatic equipment
- Mechanical equipment repairs
- Marine & water sports equipment
- Slides & trailer curtains
